

Hello!
We are
**Bridging
the Gap**

We're a charity based in the Gorbals and we help people get together and find common ground.

This leaflet is about our work in the Gorbals with children, families and the wider community.

Everyone is welcome.

We also work with hundreds of young people through their schools.

We've got loads going on - check out this leaflet and feel free to pop along to anything or get in touch for more information.
